## MONTHLY MESSAGE

Dear Members,

As your new Executive Director of the UMSSC, I would like to thank the board and the members for the opportunity and the support they have given me.

I was born and raised in King of Prussia and graduated from Upper Merion Area High School. I am a graduate of Kutztown University, and I have a Bachelor's Degree in Speech Communications with a background in marketing and public relations. Some of you may recognize me from working at Buckley's Pharmacy or helping out in the community at various events and I have had experience working with all ages.

My goal is to help give back to the community with a focus on raising funds to support the center. I, along with the Board, will work hard and diligently to implement our goals.

UMSSC is a great center for everyone here and I look forward to maintaining our great reputation in the community.

I hope to establish a good rapport with the members and wish to continue to have an open door policy. Only by bringing me your ideas and concerns can I accomplish this. Again, thank you for the opportunity to work with all of you.

Sincerely,

*Jonathan Stanback*
