I was reading interesting facts about the month of June when I started writing this message. Here is what stood out to me.

We all know June 21st is Father's Day, celebrating fathers and for our age group, grandfathers. All important people in our lives deserve a day to honor their contributions to making us the people we have become.

June 20th is the summer solstice – the longest day for us to enjoy. Let us get out there and enjoy the daylight. It is good for us! Think about planning to bring your lunch and sit with friends on the patio (weather permitting).

Listed in the "Just for Fun" category, June 1st is "say something nice". I hope we do not need to be reminded that saying "something nice "is something we should practice every day. I will start by saying " I am happy to be a member of the Senior Center and have the opportunity to meet so many wonderful members."

Coming up this month is our General Meeting on June 19th. Please plan to attend and find out more about the Board of Directors and all they are doing and planning to make the Center a fun place. If you attend the meeting, the Board invites you to stay for our annual member BBQ. The Center will be providing the food, drinks, and desserts, so just sign up to attend. Hopefully, our beautiful pati o will be open for your enjoyment.

A couple of our activities will be on hiatus during the summer months but will return in September. Looking at adding more activities in the fall. As a reminder, all members are invited and welcomed to participate in all activities, regardless of their skill level. Come join in something you have not previously tried. Let us know if there is an activity that would be of interest. We are always open to suggestions.

Happy summer to all. Hope to see you around the Center.

Until next time,

Sharon Brzoska, President

DID YOU KNOW? THE ORIGINS FATHER'S DAY

The campaign to celebrate the nation's fathers did not meet with the same enthusiasm–perhaps because, as one florist explained, "fathers haven't the same sentimental appeal that mothers have." On July 5, 1908, a West Virginia church sponsored the nation's first event explicitly in honor of fathers, a Sunday sermon in memory of the 362 men who had died in the previous December's explosions at the Fairmont Coal Company mines in Monongah, but it was a one-time commemoration and not an annual holiday. The next year, a Spokane, Washington, woman named Sonora Smart Dodd, one of six children raised by a widower, tried to establish an official equivalent to Mother's Day for male parents. She went to local churches, the YMCA, shopkeepers and government officials to drum up support for her idea, and she was successful: Washington State celebrated the nation's first statewide Father's Day on June 19, 1910. Slowly, the holiday spread. In 1916, President Wilson honored the day by using telegraph signals to unfurl a flag in Spokane when he pressed a button in Washington, D.C. In 1924, President Calvin Coolidge urged state governments to observe Father's Day. Today, the day honoring fathers is celebrated in the United States on the third Sunday of June: Father's Day 2024 occurs on June 16.
